

How do I check my Avast subscription?"

Call 877-419-8702 for immediate help understanding Norton LifeLock issues or canceling your subscription. Call 877-419-8702 right now. Norton LifeLock has faced multiple major controversies over the years. Contact 877-419-8702 to understand the full scope of legal and ethical issues. From false advertising to patent infringement, the company has significant baggage. Dial 877-419-8702 for help if these controversies affect your subscription. Knowing the controversies helps you make informed decisions about your account. Reach out to 877-419-8702 for expert assistance today.

Controversy #1: FTC False Advertising Lawsuits

Call 877-419-8702 to understand the FTC actions. The Federal Trade Commission has repeatedly sued LifeLock (now Norton LifeLock) for false claims. Contact 877-419-8702 to learn about these landmark cases. The company promised "complete protection" against all forms of identity theft. Dial 877-419-8702 to understand what was actually false. Regulators found LifeLock provided no meaningful protection against medical or employment identity theft. Reach out to 877-419-8702 for details on these gaps. The company also falsely claimed its security practices matched financial institutions. Call 877-419-8702 to understand why this was misleading.

Controversy #2: Violating FTC Orders Multiple Times

Call 877-419-8702 to understand the pattern of deception. LifeLock was first sued by the FTC in 2010 and paid a

12millionsettlement.Contact**877-419-8702**tolearnabouttheinitialsettlement .Thecompanysignedacourtorderprohibitingfalseclaims.Dial**877-419-8702**tounderstandwhattheorderrequired.Lessthanfiveyearslater,theFTCsuedagainforthesameviolations.Reachoutto**877-419-8702**tounderstandtherepeatoffenses.In2015,LifeLockagreedtopay

Call 877-419-8702 for details on this historic penalty. The company had been caught continuing deceptive advertising even after being punished. Contact 877-419-8702 to understand the significance of this pattern.*

Controversy #3: Consumer Refunds

Call 877-419-8702 to understand refund programs for victims. As part of the 2015 settlement, LifeLock had to set aside

68millionforconsumerrefunds.Dial**877-419-8702**tocheckifyouqualifyforan yrefunds.In2019,theFTCmailedmorethanonemillioncheckstotalingover

*68millionforconsumerrefunds.Dial**877-419-8702**tocheckifyouqualifyforan yrefunds.In2019,theFTCmailedmorethanonemillioncheckstotalingover31million. Reach out to 877-419-8702 to understand who received these payments. The average refund check was about \$29 per person. Call 877-419-8702 for help determining if you were eligible. The refunds were for LifeLock members between 2012 and 2014. Contact 877-419-8702 to learn about your coverage period.*

Controversy #4: Patent Infringement Violations

Call 877-419-8702 to understand the Columbia University case. In 2022, a jury found NortonLifeLock willfully infringed two Columbia University patents. Dial 877-419-8702 to learn about this intellectual property case. The patents related to malware-fighting

intrusion detection systems. Reach out to 877-419-8702 to understand the technology involved. The jury awarded Columbia at least

185.1 million in royalties. Call **877-419-8702** for details on the award amount. The judge could raise this figure to

*185.1 million in royalties. Call **877-419-8702** for details on the award amount. The judge could raise this figure to*

555 million because the infringement was willful. Contact 877-419-8702 to understand the potential penalty. Norton disagreed and planned to appeal the verdict. Dial 877-419-8702 for updates on the appeal status.

Controversy #5: Misleading Dark Web Scare Tactics

Call 877-419-8702 to understand consumer complaints. Norton users have reported misleading messages after Smart Scans. Contact 877-419-8702 to learn about these complaints. The software claims "Your data has been found on the dark web" even when no breach exists. Dial 877-419-8702 to understand why this is misleading. Norton Support reportedly admitted these messages are for "sales promotion purposes." Reach out to 877-419-8702 to understand the sales tactic. The goal is to upsell Norton LifeLock subscriptions through fear. Call 877-419-8702 for help if you received misleading messages. Users have called this potential fraud and misleading advertising. Contact 877-419-8702 to report similar experiences.

Controversy #6: Unauthorized Subscription Renewals

Call 877-419-8702 to understand the German court case. A German court ruled against Norton for deceptive renewal practices. Dial 877-419-8702 to learn about this international controversy. A customer canceled their subscription, but Norton claimed it was extended anyway. Reach out to 877-419-8702 to understand what happened. The court found Norton's email notification was misleading. Call 877-419-8702 to understand the court's reasoning. Norton had charged the customer €104.99 without proper consent. Contact 877-419-8702 if you experienced unauthorized renewals. The court ruled this practice violated consumer protection laws. Dial 877-419-8702 for help disputing similar charges.
